Re: Documentation filed under Recordation Number 9860-B on November 20, 1978

Dear Madam:

I enclose for filing by the Interstate Commerce Commission pursuant to 49 USC Section 11303 the following document:

NOTICE OF RENUMBERING PURSUANT  
TO LEASE DATED AS OF OCTOBER 15, 1978  
COVERING 12 LOCOMOTIVES  
executed by Great American Management  
Services, Inc., March 27, 1980.

This renumbering is required because the original user under sublease (the Rock Island Railroad) is being liquidated and the equipment is being repositioned with a new user under a new sublease and with the new user's road numbers, which are identified in the Notice.

We understand you will cross reference this renumbering change with respect to the parties to the Lease bearing the above-referenced Recordation Number.

*Cross index* → Please cross index under *Grand trunk Western Railroad Company, et al*, 10.00 fee pd.  
Please file, stamp and return two copies of the above document to the bearer of this letter.

("Sublessor") and First Security State Bank as Owner Trustee entered into a lease dated as of October 15, 1978 (the "Lease") of 12 Locomotives (the "Cars") bearing road numbers ROCK 4368 to ROCK 4379, all inclusive, which Lease was recorded with the Interstate Commerce Commission pursuant to Section 20c of the Interstate Commerce Act (now 49 USC Section 11303) and assigned recordation number 9860-B. Sublessor and William M. Gibbons, Trustee of the Property of Chicago, Rock Island and Pacific Railroad Company (the "Initial Sublessee") entered into a sublease dated as of October 15, 1978 (the "Sublease") of the Cars, which Sublease was recorded with the Interstate Commerce Commission pursuant to said Section 20c of the Interstate Commerce Act and assigned recordation number 9860-D. The Sublease is being terminated by Sublessor and the Initial Sublessee, and Sublessor is entering into a new Sublease (the "New Sublease") with Grand Trunk Western Railroad Company dated as of October 15, 1978 with respect to the same Cars.

Section 5 of the Prime Lease provides that the cars may be renumbered provided that the Lessor thereunder and Vendor identified therein shall have been given notice of the renumbering and the notice shall have been duly filed, recorded and deposited by the Sublessor in such locations as the Prime Lease had been filed, recorded and deposited.

NOW, THEREFORE, Sublessor serves this Notice that the Cars will be renumbered as follows:
